PROFILE

I am Ravishka Prabhath, a 20-year-old student committed to learning and growth. With a passion for Sales and Marketing, I excel academically and actively seek opportunities for personal development. Skilled in communication and teamwork, I thrive in diverse environments. Eager to contribute and driven to succeed, I'm ready to make a positive impact.

WORK EXPERIENCE

Agrabodhi College Photography Society

2019 - 2021

Designer

- As a designer, I created captivating visual content for the Photography Society, including posters and social media graphics. Collaborating with the team, I ensured brand consistency and boosted engagement. This role sharpened my design skills and taught me the importance of effective communication in visual storytelling.

MetaDew Technologies

2022 - PRESENT

Application Support Engineer

- In my role as an Application Support Engineer at MetaDew Technologies, I provide technical assistance to clients, troubleshooting issues with software applications. Collaborating with cross-functional teams, I ensuring seamless operation and customer satisfaction. This experience hones my problem-solving skills and enhances my technical expertise.

MetaPOS Technologies

2024 - PRESENT

Digital Marketer

- As a Digital Marketer at MetaPOS Technologies, I drive online brand visibility and engagement through strategic digital campaigns. By utilizing analytics and monitoring market trends, I optimize marketing strategies for maximum impact. This role enhances my skills in digital marketing and data-driven decision-making.
